

November 20

Worship focus

Preaching text is Matthew 25:31-46.

Jesus isn't somewhere, he's everywhere. How do we live knowing this?

New & Announcements

Council Nominees:

Nominating Committee and Church Council members will be dropping off discernment packets next week, for the 36 PoP members who have been nominated to consider serving on church council this next year.

Faith Connect

Why FaithBox? Because stories tell our truths.

Why Now? Because faith is learned in moments.

In a time of growing darkness, we share the light of God with one another.

In a year of we can't, our faith dares us to imagine all the ways we CAN.

In a world of uncertainty, we play on the stability of our faith.

Gift Cards

Do you want to support local restaurants and POP at the same time? The Scrip program at POP has gift cards available to purchase for Corky's (\$10), Kaddy's Kafe (\$10 & \$25), Schmitt's Time Out (\$10 & \$25), Sports Hub (\$10 & \$20) and Swing Bridge Pub (\$25). Other local businesses we have gift cards for are Quillin's (\$25, 50 & 100) and Heth Hardware (\$25 & \$50). If interested, gift cards are available for purchase by calling Michelle at church (895-4440), emailing her at popchurch@acegroup.cc or stopping in the office during regular business hours.

Hymnals for the Holidays

With Thanksgiving, Advent and Christmas approaching, songs of praise and thanksgiving and many of the beloved Christmas carols are wonderful resources for daily devotions.

We encourage anyone who would like to use one of our cranberry, ELW hymnals to pick one up in the East (main) entrance. We simply ask that you sign your name on the clipboard next to the stack of hymnals so that we know where to find the hymnals when we return to in person worship.

A Way of Generosity

Have You Mailed Yours?

Last night our council took a first look at our budget for 2021. We are basing our budget forecast- in part - on your Intent to Give cards that are to be mailed back to us this weekend.

Thank you for filling out your card and getting it in the mail. Generosity is a spiritual discipline that allows God's spirit to flow into us. May God's purposes through Prince of Peace be supported by God's people.

Verse for the Day

*On the day I called, you answered me,
You increased my strength of soul. Psalm 138:3*
